8 > 19 JULY YUKO SHIMIZU VANITY AND FAIRY TALES BETWEEN ART AND LITERATURE

IN COLLABORATION WITH LA VENARIA REALE E FONDAZIONE CRT

Project by Luca Volpatti - Organization by Galleria Ceribelli

REGGIA DI VENARIA REALE, PIAZZA DELLA REPUBBLICA 4, VENARIA REALE (TO)

Opening hours: Tuesday-Friday 9 am - 5 pm; Saturday, Sunday and holidays 9 am - 6.30 pm

OPENING FRIDAY 8 JULY 6 PM

With Michael Cunningham, Mario Turetta, Bruno Ventavoli

The works by Yuko Shimizu reinterpret the fairy tales of our childhood retold by Pulitzer Prize Michael Cunningham in an unpredictable guise, between tradition and innovation.

"Not all ugly ducklings turn out to be swans. Not all frogs are enchanted princes. The style of Yuko Shimizu recalls Aubrey Beardsley with a touch of Maurice Sendak. Wonderful."
The New York Times

Edward Carey, Sergio Claudio Perroni,
Alba Donati, Gianpaolo Donzelli

In collaboration with

Centro studi - Fondazione Meyer

"I have always drawn the characters I write about. For me it's a way of getting to know them. It has happened sometimes that a whole book came into my mind because, while sitting at my desk without thinking, I just drew a person and I then wanted to get to know this person a little more, and so the words followed the drawing, and then more images and more words followed again. The whole Iremonger trilogy has started this way."
Edward Carey
